Managing Director of Lylsens, Lailawati POKSDSP Hj Md Salleh, and Chairman and Managing Director of BV, Dr Hj Kamaruddin bin Dato Seri Paduka Haji Talib, signing the Memorandum of Understanding yesterday.

Bureau Veritas (BV) Brunei yesterday signed a Memorandum of Understanding with Lylsens SkillTech Training and Lylsens Sdn Bhd, a local start-up company, committed to providing on-the-job training support to both government and private bodies looking to improve quality and efficiency in the workplace.

The purpose of the MoU, which was signed by Lylsens's Managing Director, Lailawati POKSDSP Hj Md Salleh, and Dr Hj Kamaruddin bin Dato Seri Paduka Haji Talib, the Chairman and Managing Director of BV, was to identify a framework for cooperation to "jointly communicate and develop business opportunities, projects and activities mutually".

The signing of the MoU was witnessed by: Mr Andreas Struijck, Commercial Manager of Lylsens Consulting; Norhayati binti Ahmad, SkillTech Partner; and, Mr Amir Mahalingam, Operations Manager of BV.

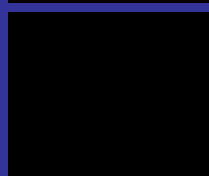

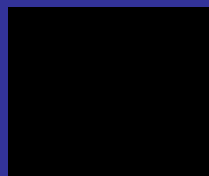

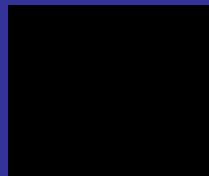

"As a local Bruneian who has worked extensively abroad in Europe, Africa and US, I believe Lylsens has the professional capacity to provide quality service to operators and contractors alike, and at the same time, inject elements that have Brunei interest in the forefront, which would undoubtedly compliment BV's business objectives in Brunei," said the Managing Director of Lylsens.

The Chairman and Managing Director of BV, meanwhile, expressed his confidence that Lylsens was a good choice, as the company "is 100 per cent local, highly-professional and shares the same core values as BV".
